AQA AS Health & Social Care

AQA A2 Health & Social Care

Richard Smithson

- Comprehensive coverage of the AS and A2 units for the AQA specification
- Written by a highly experienced teacher and examiner
- Clear guidance on portfolio presentation
- Substantial advice, skills tests and sample questions ideal for revision and maximising marks

These highly popular textbooks have been written specifically to meet the needs of AS and A2 students following the AQA specification for Health and Social Care.

Comprehensive, accessible and printed in **full colour throughout**, each textbook comprises **11 chapters**. Chapters 1–10 correspond to the examined and portfolio units and the final chapter gives guidance on **study skills** for examinations and for coursework (AS) or **research methods** (A2).

The chapters dealing with units assessed by examination cover all the specification requirements and include **summary tables for revision**. Those chapters dealing with portfolio units cover **essential skills and concepts**, and offer **guidance on portfolio preparation and presentation**.

Special features of each book include:

Try it out – practical scenarios and exercises to guide learning

Did you know? – useful insights to facilitate understanding

Sample exam questions with model answers, to show students what an A-grade looks like

Study skills and **research methods** – a concluding chapter on how to maximise performance in assessments and coursework

The author

Richard Smithson has extensive experience of teaching Health and Social Care and is currently an A-level principal examiner for Health and Social Care and Psychology.

AQA AS/A2 Health & Social Care Student Workbooks

Richard Smithson

Full colour
throughout

Student Workbooks will support your teaching and develop the skills of your students.

Written specifically for the AQA AS/A2 Health & Social Care specifications, the workbooks will help students understand the key concepts of the three compulsory AS units, and the compulsory and optional units at A2. They can then use the varied selection of exercises in each book to prepare for the range of tasks they will face in the examinations.

The **exercises** can be tackled in a variety of ways, as homework or in class, individually or in pairs, or as the basis for classroom discussion. Suggestions for how to use the exercises and answers to the questions are provided in an accompanying set of **Teacher Notes**.

The workbooks are designed to be used in conjunction with the textbooks *AQA AS* and *AQA A2 Health & Social Care* but can also be used as stand-alone resources.

Each workbook is printed in **full colour throughout** and available only in **class sets of 10**, priced at **£40 per set** plus postage and packing.

Each set of workbooks includes one FREE copy of the Teacher Notes.

The workbooks have been written by **Richard Smithson**, a highly experienced examiner and author.

Key benefits

- **Linked to the AS and A2 textbooks**
- **Provide lively and stimulating exercises**
- **Help students understand the skills required of them**
- **Save you invaluable preparation time**
- **Ideal for exam preparation**
- **Cheaper than photocopying your own resources!**

AQA GCSE Health & Social Care

Adrian Lamb

This textbook comprehensively covers the content students require to prepare for AQA GCSE (Double Award) Health & Social Care coursework tasks and the written paper. It is designed to develop students' knowledge and understanding of the key issues in health and social care and successfully meet the three assessment objectives of the specification.

Illustrated in **full colour throughout**, *AQA GCSE Health & Social Care* comprises three sections, which match the units of the course: Health, social care and early years provision; Promoting health and well-being; Understanding personal development and relationships. Students will be able to reinforce their learning with the **activities** featured in each section, and use the support and advice provided for producing portfolio evidence and preparing for the written test.

Clearly presented and highly accessible, *AQA GCSE Health & Social Care* is essential reading for all students following this specification.

The author

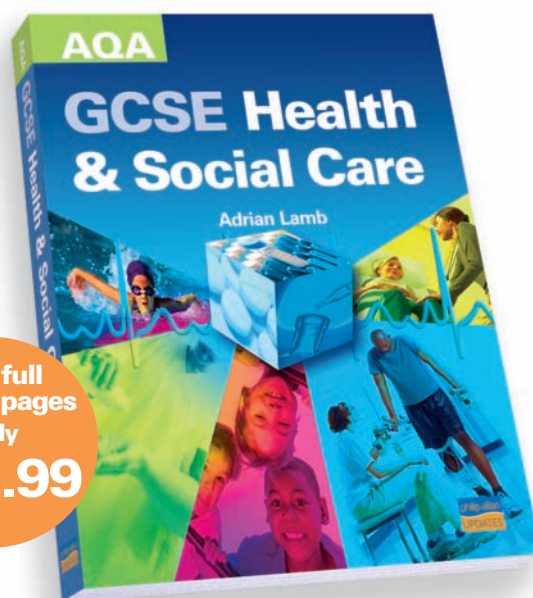

Adrian Lamb is Headteacher at Irlam and Cadishead Community High School and has extensive experience of teaching Health & Social Care. He is currently a Chief Examiner and Principal Moderator for Health & Social Care.

Student Workbooks will support your teaching and develop the skills of your students.

Each workbook supports the learning process in the classroom and provides opportunities for assessment, homework and self-supportive learning through a varied selection of exercises.

By providing resource material and exercises to assess understanding of particular concepts, these workbooks will save you hours of preparation time.

Space is provided in the workbooks for students to complete the activities. Answers to the questions are provided in an accompanying set of **Teacher Notes**.

Student workbooks are sold in sets of 10, priced at **£35 per set** plus postage and packing. One **FREE** copy of the Teachers Notes is provided with each set of workbooks.

AQA GCSE Health & Social Care

Adrian Lamb

Printed in full colour throughout, the workbook is divided into the three units in AQA GCSE Health & Social Care: **health, social care and early years provision; promoting health and well-being;** and **understanding personal development and relationships**. Each topic starts with a **content overview** to help students answer the **questions** that follow and to steer them towards the more extensive sources to which they should have access elsewhere, in particular the textbook *AQA GCSE Health & Social Care* (see page 4).

The questions, written by a Chief Examiner, are designed to satisfy the assessment objectives of the AQA GCSE Health & Social Care specification.
